7. Click “Save changes” button, then click on the word “Login” on the lower right.
8. A Login screen appears. Enter your saved email address and password, and click the “Login” button to be directed to the advertiser **Ad Form**. This is the same login screen that is available by clicking the word “Login” at the top right of [www.Seeingit.com](http://www.Seeingit.com).
9. To change the TEXT BUSINESS DESCRIPTION, look further down on the **Ad Form**, find and click on a round balloon button called “Commercial Video”, then click the “None” balloon. This releases the Ad Form for a one-time-only change to the textual description and note, the text is black signifying that it can be changed. Grey signifies locked text.
