

THE WEBS PREMIER COMMUNITY RESOURCE

**Dear Hospitality Professionals:**

I would like to introduce myself. My name is Randall Harmon and I am the founder, CEO & President of Seeingit.com, a community resource, business listing and area attraction website that is used by tourists, hotel guests and residents alike.

**Why Should Your Hotel Use Seeingit.com?**

It's a free guest amenity that promotes commerce in your community; Your hotel is provided a free premium ad listing; It saves time – when guests ask staff members for restaurants and local attractions they can refer to our website that shows things to do in a 100 mile radius and provides printout, or email directions instantly – it's that easy.

**Born from a Hotel Technology and Tour Operator Background**

From 20 years combined experience in national account sales and installation of Mitel PBX and Internet systems, to tour operations of exotic adventure travel, Seeingit.com was created to serve hoteliers and the needs of their much appreciated guests.

**User Friendly Website Benefits**

- Top-12 consumer interest and spending business categories in a 100 mile radius
- MAP feature with automatic turn-by-turn driving directions – Print or Email to PDA's and Smartphones for the ultimate in convenience
- Ads have links to business websites, brochures, menus and video
- Sales and Catering can market your property regionally with our free Calendar of Events posting
- Provides a free value added benefit to your hotel guests
- Enhances the guest experience

**Trusted Affiliations**
